

# *Susan Friedrich Memorial Scholarship*

*Ms. Susan Friedrich was the first advisor of Alpha Xi Delta Chapter of Bay de Noc Community College. She served that chapter and the Michigan Region with great distinction. Unfortunately, due to serious health problems, she found it necessary to resign from the college and passed away in the fall of 2004. A psychology professor, she first came to work at Bay in 1985 and quickly became the advisor to the chapter as well as to the Student Government/Activities Board. Her life was dedicated to the success of students and she was always there for them when she was needed. She was much loved by everyone who knew her and is deeply missed by all of us in the Michigan Region.*
